As snow season is upon us, please remember that sidewalks are the homeowner's/property owner's responsibility to maintain as per the Ordinance listed below.

**142-1 - Removal of snow**, ice, sand, dirt and other like material from sidewalks. The owner or owners, tenant or tenants of lands abutting or bordering upon any of the public avenues or highways of the Township of West Deptford shall remove or cause to be removed from the sidewalks in front of or bordering on their said lands all **snow** and ice within six (6) hours of daylight after the same shall be formed or fall thereon, and any sand, dirt or other materials forming an obstruction or constituting an impediment thereon within ten (10) hours of daylight after the same shall have formed, collected or been created thereon.<sup>1</sup>

**142-5 - Removal by owner of property.**

The owner of any multiple dwelling, townhouse development, nursing home, office building, shopping center, mobile home or trailer park and the owner of any property within the township to which the public is invited for business purposes shall remove all **snow** and ice from the roads, lanes and driveways, parking areas, walkways, steps and fire hydrants located upon such property within six (6) hours of daylight after any snowfall or accumulation of ice occurs. In the event that ice may be so frozen as to make **removal** impracticable, the owner shall cause the aforementioned areas to be effectively covered with sand, ashes, sawdust or rock salt within six (6) hours of daylight after the accumulation of such ice.
