West Deptford Township is closely monitoring the COVID-19 (Coronavirus) virus and all available information from the NJ Department of Health, Center for Disease Control, and World Health Organization. Administration and Emergency management have been in contact with the County and State, participating in all available calls with the governor and NJ State Department of Health in order to remain informed.

All Township Offices and services are continuing to operate with no changes or modifications. Out of an abundance of caution we are encouraging all payments be made without coming into the Township building. Residents can pay via the outdoor drop box located at the Crown Point Road side of the parking lot, the online bill pay system located at https://wipp.edmundsassoc.com/Wipp/?wippid=0820, or regular mail.

We are and will continue to utilize all of our digital platforms to keep you as up to date as possible regarding any changes in Township Services as well as any state, county, and local updates as they become available.

It is important to take precautions in order to prevent the spread of the virus. The CDC recommends the following basic hygiene and sanitation practices to stop the spread of the virus including:

- Wash your hands with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
  - If soap and water are not readily available, use an alcohol-based sanitizer with at least 60% alcohol
- Cover your cough or sneeze with a tissue, then throw the tissue in the garbage. If you do not have a tissue, you can use the inside of your elbow.
- Avoid touching your eyes, nose, and mouth
- Stay home when you are sick
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe
- Practice social distancing (6 ft. distance)

For additional information, please review availability resources at the Gloucester County Health Department website: http://www.gloucestercountynj.gov/depts/h/hedss/pubhome.asp or the US Center for Disease Control website: https://www.cdc.gov/coronavirus/2019-ncov/index.html

Please continue to exercise precaution and follow all available health tips. West Deptford will continue to monitor and provide information as it is given to us.
